

CIRCULATION OF MATERIALS

Patrons do not need their library card to check materials out, however, if staff does not know the patron they will be asked for their address and telephone number to confirm that the correct record in the computer is being used. The materials in the collection and the time they circulate are as follows:

Books 28 Days
Short Loan 14 Days
Videos 14 Days
Short Loan 7 Days
Magazines 14 days
Music CDs 14 Days
Realia 14 Days

Items can be renewed up to three times as long as there are no holds on them. (Some exceptions apply). Patrons with an account in Infosoup can renew items online. Staff will also renew items over the telephone. Patrons may have up to 150 items checked out a time, but media (DVDs, etc) are limited to 50 at one time.

Patrons may only have one computer checked out at a time and these are not renewable. Staff reserves the right to temporarily place limits on certain types of books for special circumstances. (i.e. placing Halloween materials on Short Loan). Patrons may have up to 25 reserves for materials at other libraries on their account at any one time. (Laptops can be reserved nor can holds be placed on them in Infosoup)

The Library is not responsible for any damage caused to video recording players or computers by library materials. Patrons must obey all copyright restrictions that apply to items checked out. Most audio visual materials, unless otherwise noted, are for "home use only" and should not be used otherwise. The exceptions are schools, if used for face to face teaching, and nursing homes.
